- Tuesday - Thursday, May 18-20, 9 am - 5 pm daily
- 4 parallel sessions @ 90 or 180 minutes = a total of 48 sessions during the regular conference
- Live Q&A, and access to all recordings
- Keynotes and special events

ABOUT JOHN SLATIN ACCESSU

The John Slatin AccessU conference is named after the late John Slatin of the University of Texas, a pioneering leader in web accessibility. This two-week web accessibility conference teaches accessibility, usability, and inclusive design skills in an interactive and communal environment where anyone in any role will learn everything they need to know about integrating accessibility into their company.

“Good design IS accessible design.” – *John Slatin*
